English Project # 1

Third Grade

Famous Inventors

This activity will help you learn about famous inventors. You will learn about their family also when they were kids, where they studied, etc.

Choose a famous inventor and research their information.

You will be able to start working on your project at home using your orange notebook and every Friday you can work with your teacher to check spelling, grammar, and complete ideas.

Every week you need to complete a step and at the end you will present this project to the classroom.

Step 1: Due: Friday September 12th.

On your orange notebook write and answer the following questions:

- | |
|--|
| 1. Early life. Using 5 complete sentences, write about the early life of your famous inventor. Example: Who are/were his parents, where was he/she born, etc. |
| 2. Adult life. Using 5 complete sentences, write about the adult life of your famous inventor. Example: Where did he/she studied, what have they accomplished, etc. |

Step 2: Next week.
